PREMIUM PAYMENTS

(a) All premiums are payable in advance to the Company at its Home Office. The payment of any premium shall not maintain the insurance under any Policy in force beyond the day immediately preceding the due date of the next premium except as provided in the Grace Period provision.

(b) Premiums are subject to change. Premiums for this Policy are based on the attained age of each Covered Person, and each Covered Person's premium may increase following his/her birthday. Premiums may also increase at any time due to the Company changing its table of rates applicable on a class basis in your state. Classes may be determined according to sex, attained age, smoking status and the Insured's state of residence. Any change will apply to future premiums for all policies with the same form number issued by us to individuals in the Insured's state of residence. We will give the Insured 31 days written notice before any premium change. No change in premium will be effective before the first policy anniversary.

TERMINATION

Subject to the Grace Period provision, coverage will immediately terminate at 12:01 A.M., Standard Time, at the place where the Insured resides, on the due date of any premium which is not paid. Additionally, a child's coverage will terminate as provided in the Coverage for Spouse and Dependent Children provision.

COVERAGE FOR SPOUSE AND DEPENDENT CHILDREN

Coverage will be provided for the Insured's spouse and/or dependent children (including adopted children) who are unmarried and under 19 years of age and who are listed by name on the Insured Schedule; provided the applicable premium is paid. If the Insured's spouse and/or dependent children are not covered by this Policy such individual(s) may be added after the Effective Date by submitting a written application and paying the correct premium for his/her coverage. We must approve the application for his/her coverage to be effective.

COVERAGE FOR SPOUSE AND DEPENDENT CHILDREN (Continued)

A newborn child of the Insured is automatically covered for 90 days from the moment of birth. We must receive notice of birth and payment of the applicable premium within 90 days after the child's date of birth or before the next premium due date, whichever is later, in order to have the newborn's coverage continue beyond such 90-day period.

A newborn child adopted by the Insured is automatically covered for 60 days from the moment of birth if the petition for adoption is filed within 60 days after the child's date of birth. We must receive written notice of birth and payment of the applicable premium within 60 days after the child's date of birth in order to have the newborn adopted child's coverage continue beyond such 60-day period.

A child adopted by the Insured more than 60 days after the date of birth is automatically covered for 60 days from the date the petition for adoption is filed. We must receive written notice of the filing of the petition for adoption and payment of the applicable premium within 60 days after the date of placement in order to have the adopted child's coverage continue beyond such 60-day period.

For purposes of this provision, an adopted child includes a minor child under the charge, care and control of the insured, and for whom the Insured has filed a petition to adopt. The coverage of an adopted child will terminate upon the dismissal or denial of the petition for adoption.

The coverage on any child will terminate on the anniversary date of this Policy after the child's 19th birthday, or the child's marriage, whichever occurs first. Termination of coverage shall be without prejudice to any claim originating prior thereto. Our acceptance of premium after such date shall be for the remaining persons who qualify for coverage under this Policy; provided that coverage shall continue for any Covered Person during the period for which we accept an identifiable premium for such Covered Person. Coverage may be continued for any covered dependent child regardless of age who is incapable of self-sustaining employment by reason of mental retardation or physical handicap and who became so incapacitated prior to age 19. Proof of such incapacity and dependency must be furnished to us by you at our request and expense.

If the coverage of a child terminates under this provision due to his/her attaining age 19 or marriage, such child shall be eligible to have issued to him/her without evidence of insurability a policy with benefit and renewability provisions the same as or similar to this Policy that the Company is then issuing.

RENEWAL SAFEGUARD

This Policy is renewable as follows:

- (a) The Company may not decline to renew this Policy except for one or both of the following reasons:
 - (1) Renewal premiums are declined on all policies bearing the same form number as this Policy issued to persons in the same state in which the Insured resides; or
 - (2) Failure to correctly report matters inquired of in the application for this Policy.
- (b) While this Policy is in effect, the Company shall not have the right to place any restrictive amendment hereon with respect to any coverage in effect hereunder. **There shall be no change in rate classification on account of any physical impairment of a Covered Person or on account of any claims incurred under this Policy.**
- (c) The Company's right to refuse renewal, which is expressly reserved as set forth in (a) above, may be exercised by giving written notice, at least thirty (30) days prior to the expiration of the term for which premium has been paid, to the Insured by either delivery or by mailing to his last address as shown by the records of the Company when, not less than thirty (30) days thereafter, such refusal of renewal shall be effective.

UNIFORM PROVISIONS

1. ENTIRE CONTRACT; CHANGES: This Policy with any endorsements or attachments, is the entire contract of insurance. Only one of our executive officers can approve a change. Such approval must be endorsed on or attached to this Policy. It may not be changed in any way by any agent.

UNIFORM PROVISIONS (Continued)

2. TIME LIMIT ON CERTAIN DEFENSES: (a) After two years from the Effective Date of this Policy, no misstatement of a Covered Person, except a fraudulent misstatement made in the application, shall be used to void this Policy. After two years from the Effective Date of the coverage with respect to any claim which is made, no misstatement of any Covered Person eligible for coverage under this Policy, except a fraudulent misstatement contained in a written instrument signed by a Covered Person, shall be used to deny a claim for loss incurred commencing after expiration of such two years.

(b) No claim for loss incurred that starts after 12 months from the Effective Date of coverage will be reduced or denied because a Sickness or condition had existed before the Effective Date of coverage. This does not include diseases or physical conditions excluded specifically by name or description on an elimination endorsement or in the Exclusions provision.

3. GRACE PERIOD: A grace period of 31 days will be granted for the payment of each premium falling due after the first premium. During the grace period, the Policy shall continue in force.

4. REINSTATEMENT: This Policy shall lapse if you do not pay the premium before the end of the grace period. If we or any agent authorized by us to accept premium later accepts premium and does not require an application for reinstatement, such acceptance shall reinstate this Policy. If we or such agent require an application for reinstatement and issue a conditional receipt for the premium tendered, this Policy shall be reinstated upon our approval of such application. If we do not approve it, this Policy shall be reinstated on the 45th day after such conditional receipt, unless we give you prior written notice of disapproval. The reinstated Policy shall cover only an Injury caused by an accident occurring after the date of reinstatement or a Sickness beginning more than 10 days from such date. In all other respects you and the Company shall have the same rights under this Policy as were in effect before it lapsed, unless special conditions are added in connection with the reinstatement. Premium accepted in connection with this provision shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days before the date of reinstatement.

5. NOTICE OF CLAIM: You must give us written notice of claim. It must be given within 20 days after a covered loss occurs or starts, or as soon as you reasonably can. You may give the notice or you may have someone do it for you. Such notice should give your name and Policy number. Notice should be mailed to us at our home office at 6100 N.W. Grand Blvd., Oklahoma City, Oklahoma 73118-1082, or to any authorized agent.

If we do not give or provide them within 15 days, you can meet the proof of loss requirement by giving us a written statement of what happened. This statement should include the type and extent of the loss you incurred. We must receive this statement within the time given for filing proof of loss.

7. PROOF OF LOSS: If the Policy provides for periodic payment for a continuing loss, written proof of loss must be given to us within 90 days after the end of each period for which we are liable. For any other loss, written proof must be given within 90 days after such loss. If it was not reasonably possible to give written proof in the time required, we shall not reduce or deny the claim for this reason if the proof is filed as soon as reasonably possible. In any event, except in the absence of legal capacity, the proof required must be given no later than one year from the time specified.

8. TIME OF PAYMENT OF CLAIMS: We will pay benefits immediately upon receipt of due written proof of loss for benefits provided under this Policy. However, a benefit that is payable by periodic payments, subject to due written proof of loss, shall be paid monthly. Any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of due written proof.

9. PAYMENT OF CLAIM: (a) Subject to the Direct Payment of Hospital, Medical Services provision, benefits will be paid to you. Loss-of-life benefits, if any, are payable in accordance with the beneficiary designation in effect at the time of payment. If none is then in effect, the benefits will be paid to your estate. Any other benefits unpaid at death may be paid, at our option, either to your beneficiary or estate. (b) If benefits are payable to your estate or a beneficiary who cannot execute a valid release, we can pay benefits up to \$1,000 to someone related to you or your beneficiary by blood or marriage whom we consider to be entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

10. PHYSICAL EXAMINATION: We, at our expense, may have you examined when and as often as we may reasonably require while a claim is pending.

UNIFORM PROVISIONS (Continued)

11. LEGAL ACTIONS: No legal action may be brought to recover on this Policy within 60 days after written proof of such loss has been given as required by the Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be given.

12. CHANGE OF BENEFICIARY: Unless you make an irrevocable designation of beneficiary, only you shall have the right to change the beneficiary. Consent of the beneficiary shall not be required to make any change in this Policy. Also, no such consent shall be required for surrender or assignment of this Policy.

13. CANCELLATION: This Policy may not be cancelled by the Company, nor by you, during a period for which premium has been paid and officially accepted by the Company. The Company may not decline to renew this Policy, except as provided in the Termination provision or the Renewal Safeguard provision.

POLICY PROVISIONS

1. MISSTATEMENT OF AGE: If the age of a Covered Person has been misstated, all benefits payable to that person shall be in the amount the premiums paid would have purchased at the correct age.

2. UNPAID PREMIUM: Any due and unpaid premium for this Policy may be deducted from its benefits then payable.

3. ILLEGAL OCCUPATION: We shall not be liable for any loss to which a contributing cause was your commission or attempt to commit a felony. We shall not be liable for any loss to which a contributing cause was your participation in an illegal occupation or illegal activity.

4. INTOXICANTS AND NARCOTICS: We shall not be liable for any loss sustained or contracted in consequence of your being intoxicated or under the influence of any narcotic, unless administered on the advice of a physician.

5. CONFORMITY WITH STATE STATUTES: The provisions of this Policy must conform with the laws of the state in which you reside on the date of issue. If any do not, they are hereby amended to conform.

6. DIRECT PAYMENT OF HOSPITAL, MEDICAL SERVICES: Subject to any written direction of the Insured, all or any portion of any indemnities provided hereunder on account of hospital, nursing, medical or surgical services may, at the Company's option, and unless the Insured requests otherwise, not later than the time of filing proofs of such loss, be paid directly to the Hospital or person rendering such services.

7. ALTERNATIVE DISPUTE RESOLUTION: If a dispute arises between a Covered Person and the Company concerning the payment or non-payment of benefits under this Policy, either party may request that the dispute be referred to mediation. Such a request must be submitted to the other party in writing and must include a description of the issue(s) in dispute. The parties will then contact the American Arbitration Association, which will appoint a mediator who is experienced in resolving health insurance disputes.

If the decision of the mediator is in favor of the Covered Person, the Company will accept the decision and pay the cost of the mediator and any experts he/she consults with.

If the decision of the mediator is in favor of the Company, the Company will pay the cost of the mediator and any experts he/she consults with.

This provision will not affect any right of a Covered Person under the Legal Actions provision of this Policy or applicable law.

8. REFUND OF UNEARNED PREMIUM UPON DEATH OF COVERED PERSON: In the event of a Covered Person's death, any benefits payable to his/her estate shall include any premium paid for any period beyond the date of such Covered Person's death. Said unearned premium shall be paid in a lump sum within 30 days following our receipt of due written proof of death.

POLICY PROVISIONS (Continued)

9. CONTINUATION OF COVERAGE UPON DIVORCE: If a Covered Person ceases to be covered under this Policy by reason of divorce, such Covered Person may continue his/her coverage under a separate policy identical to this Policy, subject to the following: (a) such Covered Person must give written notice to the Company within 30 days of such divorce of his/her desire to continue coverage; (b) the continuation policy will be issued without evidence of insurability; (c) the premium for the continuation policy will be no more than the premium that would be charged such Covered Person had the divorce not occurred; and (d) any waiting periods will be considered satisfied under the continuation policy to the extent satisfied under the Policy.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

According to your application or other information you have furnished, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by Reserve National Insurance Company. Your new policy provides 10 days within which you may decide without cost whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have, (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not your right, but it is also in your best interests to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.
